## CLASSROOM ART TO BE DISCUSSED BY TEACHER AT MUSEUM

How I Can Use Art in the Classroom will be the topic of a discussion led by Jane Cooper Bland on Saturday, March 21, at 10:30 a.m. at the People's Art Center of the Museum of Modern Art, 21 West 53 Street. Mrs. Bland is an art instructor at the Fieldston School in New York and at the People's Art Center. Her discussion will center on ways in which the classroom teacher can satisfy the individual needs and interests of children and enrich their other studies through integration with art.

This is one of four public meetings being held during the 11th Annual Conference of the Committee on Art Education, a national organization of art educators sponsored by the Museum of Modern Art. More than 500 members of the Committee are expected to attend the 4-day conference which opens at the Museum on March 19.

Tickets at \$1.25 may be obtained for this discussion at the Museum, 11 West 53 Street.
