EASTSIDE HIGH SCHOOL STUDENTS VISIT MUSEUM OF MODERN ART

Forty-six students from the Eastside High School in Paterson accompanied by two teachers, Mrs. Roslyn Feinstein and Mr. Richard Goldberg, visited the Museum of Modern Art in New York today (Friday, March 11) as part of a program to broaden their interests and cultural background.

Among the exhibitions they saw were paintings and sculptures from the Museum's Collection, arranged chronologically to give a history of modern European and American art from 1875 to the present, a selection of chairs, china and household objects from the Design Collection, also covering about the same period, and a sampling from the Print and Photography Collections.

The major loan exhibition on view which they visited was "Claude Monet: Seasons and Moments", a large exhibition of Monet's landscapes emphasizing those representing a single motif in several versions, at different hours of the day or seasons of the year.

The group viewed the "Art Lending Retrospective" exhibition, a special show of paintings, prints, drawings and sculptures typical of those available for rent or sale from the Museum's Art Lending Service, and "The Sense of Abstraction", an exhibition of contemporary photographs.

They examined a 13'7" x 6' x 5'2" high model of the additional wing the Museum plans to build at the conclusion of its 30th Anniversary Fund Drive and walked through the Sculpture Garden and saw an outdoor show, three structures by Buckminster Fuller: a radome and two experimental projects.
