### CLIFFORD J. SCOTT HIGH SCHOOL STUDENTS VISIT MUSEUM OF MODERN ART:

Forty-three art students from Clifford J. Scott High School accompanied by two teachers, Mr. Gilbert Hughes and Miss Patricia Ann Lee, visited the Museum of Modern Art in New York today (Wednesday, March 23) as their first field trip to broaden their interests and cultural background. Mr. Hughes and Miss Lee are anxious to acquaint them with the actual works of art they have been studying through the Museum's extensive slide collection.

Among the exhibitions they saw were paintings and sculptures from the Museum's Collection, arranged chronologically to give a history of modern European and American art from 1875 to the present, a selection of chairs, china and household objects from the Design Collection, also covering about the same period, and a sampling from the Print and Photography Collections.

The major loan exhibition on view which they visited was "Claude Monet: Seasons and Moments", a large exhibition of Monet's landscapes emphasizing those representing a single motif in several versions, at different hours of the day or seasons of the year.

The group viewed the "Sense of Abstraction" show, an exhibition of recent photographs including experimental work selected from the large number in this genre currently being submitted to the Museum's Department of Photography. They also examined a 13'7" x 6' x 5'2" high model of the additional wing the Museum plans to build at the conclusion of its 30th Anniversary Fund Drive and walked through the Sculpture Garden and saw an outdoor show, three structures by Buckminster Fuller: a radome and two experimental projects.
