At The Museum of Modern Art, 11 West 53 Street  
First floor and auditorium galleries

On Tuesday, May 3, from 11 a.m. to 4 p.m.

The exhibition consists of more than 100 paintings, sculptures, prints, drawings and photographs. Self portraits, portraits of artists' families and friends, dancers, writers, actresses, faces from the pages of history as well as from today's newspapers are included. It is presented during the 30th Anniversary Drive as another demonstration of the range and variety of the "hidden" resources of the Museum which cannot usually be shown because of lack of gallery space and accessible storage.
