CANDICE BERGEN NARRATES RECORDED TOUR OF *OBJECTS OF DESIRE: THE MODERN STILL LIFE*

Candice Bergen is the featured narrator on the 45-minute Acoustiguide audiotour of *Objects of Desire: The Modern Still Life*, on view at The Museum of Modern Art from May 25 to August 26, 1997. A distinguished actress, Ms. Bergen has been a frequent visitor to the Museum all her life. The films of her late husband, Louis Malle, have been collected extensively by the Museum's Department of Film and Video.

Ms. Bergen's narrative, augmented by commentary by Glenn D. Lowry, Director, The Museum of Modern Art, and Margit Rowell, Chief Curator, Department of Drawings, and organizer of the exhibition, guides visitors through the exhibition and illuminates aspects of the still life genre.

In addition to the English-language version, the recorded tour is available in Spanish and French. It may be rented for \$4.00 (members \$3.50) when purchasing admission or entering the exhibition.
