54th Street Neighbor Notice

The reinstallation of the Sculpture Garden requires the use of a crane on Saturday, June 17. There will be several sculptures removed and others reinstalled. The crane will move Calder's Black Widow to the south end of the west pool. The workers will install Oldenburg's Mouse and a sculpture by Mark di Suvero's For Roebling. A crane will hoist David Smith's Cubi X and Lipchitz Figure and Duchamp-Villon's, The Horse from the garden.

Mariano Bros. and MoMA Security will control pedestrian traffic while the reinstallation is being done.

This work needs to be done over the weekend to minimize safety concerns and traffic congestion. 54th Street will be closed to vehicle traffic from 6 a.m. - 9 p.m. with the exception of delivery trucks. We expect the work to begin at 9:00 a.m. and be completed by 4:00 p.m.

Free Concerts in the Abby Aldrich Rockefeller Sculpture Garden
Sundays, July 9 - August 13, 8:00 p.m.

We are so excited and thrilled for the return of the Summer Garden series. The Museum of Modern Art established Summer Garden in 1971 to enhance the artistic life of New York City in the summer. In keeping with MoMA's history of presenting jazz and classical music in The Abby Aldrich Rockefeller Sculpture Garden, this year's Summergarden series welcomes the participation of two constituents from Lincoln Center-The Juilliard School and Jazz at Lincoln Center. New Music for New York presents six evenings of adventurous contemporary music, with concerts on alternating Sundays beginning July 9 - August 13 at 8:00 p.m.
