The images contained within this PDF may be used for private study, scholarship, and research only. They may not be published in print, posted on the internet, or exhibited. They may not be donated, sold, or otherwise transferred to another individual or repository without the written permission of The Museum of Modern Art Archives.

When publication is intended, publication-quality images must be obtained from SCALA Group, the Museum's agent for licensing and distribution of images to outside publishers and researchers.

If you wish to quote any of this material in a publication, an application for permission to publish must be submitted to the MoMA Archives. This stipulation also applies to dissertations and theses. All references to materials should cite the archival collection and folder, and acknowledge "The Museum of Modern Art Archives, New York."

Whether publishing an image or quoting text, you are responsible for obtaining any consents or permissions which may be necessary in connection with any use of the archival materials, including, without limitation, any necessary authorizations from the copyright holder thereof or from any individual depicted therein.

In requesting and accepting this reproduction, you are agreeing to indemnify and hold harmless The Museum of Modern Art, its agents and employees against all claims, demands, costs and expenses incurred by copyright infringement or any other legal or regulatory cause of action arising from the use of this material.

### **NOTICE: WARNING CONCERNING COPYRIGHT RESTRICTIONS**

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement.

Gentlemen:

We refer to your invoice dated December 31st, received this morning, and must draw your attention to the fact that the first item should not have been charged to our account. The collection of ten paintings removed from our galleries and delivered to Heydenryk was ordered by Mr. Ettore Luzzatto, who should be billed for this item. The fourteen frames were transported at the request of Mr. Heydenryk, himself, to whom the charges should be made. We have, therefore, deducted the amount of \$8.00 from your invoice, and are pleased to enclose our check # 2191, on the Banker's Trust Company, in the amount of \$69.00, to cover the above mentioned invoice.

Kindly arrange to pick up, on January 15th, one bronze bust of General De Gaulle by Jo Davidson, to be packed and shipped to Mrs. Walter S. Brewster, 2704 Lakeview Avenue, Chicago, Illinois.
